Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That The Aransas Harbor Terminal Railway Company, a corporation chartered under the laws of the State of Texas, is hereby authorized and empowered to erect, construct, maintain, and operate a bridge over and across the Corpus Christi Channel, known as the Morris and Cummings Ship Channel, in Aransas County, Texas. Said bridge shall be constructed to provide for the passage of railway trains on and over a double or single track as said Aransas Harbor Terminal Railway Company may elect.

SEC. 2. That said bridge shall be constructed with a draw or turn of sufficient capacity to afford free passage to such vessels and boats as navigate said channel: *Provided*, That said bridge shall be opened promptly upon reasonable signal for the passage of boats and other water craft, except when trains are passing over the draw or turn; but in no case shall unnecessary delay occur in opening the draw or turn after the passage of trains or at any other time; and the said Aransas Harbor Terminal Railway Company shall maintain at its own expense, from sunset to sunrise, such lights or other signals on said bridge as the United States Light-House Board shall prescribe. And in case of any obstruction, or alleged obstruction, to the navigation of said channel, caused, or alleged to be caused, by said bridge, the case may be brought in the circuit court of the United States in which any portion of said obstruction or bridge may be located: *Provided further*, That nothing in this act shall be so construed as to repeal or modify any of the provisions of law now existing in reference to the protection of navigation of rivers, or to exempt this bridge from the operations of the same. That all railroad companies desiring the use of any bridge constructed under this act shall have and be entitled to equal rights and privileges relative to the passage of railway trains or cars over the same and over the approaches thereto upon payment of a reasonable compensation for such use; and in case the owner or owners of said bridge, and the several railroad companies, or any one of them desiring such use, shall fail to agree upon the sum or sums to be paid, and upon rules and conditions to which each shall conform in using said bridge, all matters at issue between them shall be decided by the Secretary of War upon a hearing of the allegations and proofs of the parties.

SEC. 3.
